- Identifying FABs of different products and services.
- Recording FABs.
- Communicating FABs to prospects and customers.

PROFESSIONAL SELLING COURSE

NQF 4 ID -252196

COURSE METHODOLOGY

This course is conducted with maximum use of practical application of the skills acquired. After facilitator led training has taken place via the course material, group work and scenario driven exchanges, participants will have opportunity to relate the information back to their work place and to practice their skills through the use of brainstorming, problem solving, case studies, role-plays and copy written training exercises. Within a relaxed and more fun environment participants will learn from each other, gaining knowledge and acquiring and reinforcing skills that will result in overall improved customer service performance.

COURSE OBJECTIVES

As consumers we are all at some time or another faced with a sales person – possibly you - wanting to sell either a service or product. You may recall that you (i.e. consumer) are confronted with the usual sales pitch. This course enables you to clearly define your role in professionally selling products or services.
