Objective

This assessor course is for those who wish to assess people for their achievement of learning outcomes in terms of specified criteria using pre-designed assessment instruments. Once completed, you will be able to conduct assessments within your field of expertise.

This unit standard will contribute towards the achievement of a variety of qualifications, particularly within the fields of Education Training and Development Practices and Human Resource Development. People credited with this unit standard are able to carry out assessments in a fair, valid, reliable and practicable manner that is free of all bias and discrimination, paying particular attention to the three groups targeted for redress: race, gender and disability.
