- Managing and documenting input tax credits
- Requirements for creating and issuing VAT invoices
- Understanding the information to include on VAT invoices
- Preparation and submission of VAT returns

PLEASE NOTE:

Consultations will take place prior to facilitation in order to provide a tailored solution that addresses your business' needs.

Objective

With an Introduction to VAT (Value Added Tax) course, individuals gain essential skills in understanding VAT rates, registration processes, and invoicing. The training covers VAT compliance, accounting practices, and the preparation of accurate VAT returns. Participants learn to navigate audit procedures and stay informed about recent updates in VAT regulations. This course is vital for professionals and businesses, providing the knowledge needed to manage VAT intricacies, optimise tax positions, and ensure compliance, ultimately contributing to financial health and informed decision-making.

About Edge Training

With over 24 years of Human Development training experience, Edge Training has a Level 1 BBBEE Scorecard, a National Footprint and Full Accreditation with Services SETA. Together with our BEE partners, we are committed to solving BEE related Skills Development Challenges in a meaningful way. Whether an Accredited Short Course, a Soft Skills Workshop or a Learnership, our highly skilled and dedicated team can offer you a solution. We source the learners and manage all the necessary requirements for disabled and unemployed Learnerships. Our Learnerships and Workshops can also be offered as online courses.
